

REMARKS

Claims 39-42, 44-47, 50, 51, 56, 57 and 59-92 were pending prior to this Office Action. In the above-identified Office Action, other than claims 81-92, the Examiner has allowed all the claims, which Applicants acknowledge with gratitude.

To expedite issuance of a patent, Applicants have canceled rejected claims 81-92 without prejudice or disclaimer of the embodiments defined therein. Additionally, Applicants have amended allowed claims 39-42, 44-47, 50, 51, 56, 57 and 59-80. Accordingly, claims 39-42, 44-47, 50, 51, 56, 57 and 59-80 remain pending.

Applicants respectfully assert that all the pending claims should be in condition for allowance. Accordingly, reconsideration of the application and an early Notice of Allowance are earnestly solicited.

In the event that the Examiner, upon reconsideration, determines that an action other than an allowance is appropriate, the Examiner is requested and authorized to telephone Applicants' representative below prior to taking such action, if the Examiner feels that such a telephone call will advance the prosecution of the present application.

Any required fee in connection with the filing of this response is to be charged to Deposit Account No. 50-0727.

Respectfully submitted,

By:
